Title: METHODS, APPARATUS AND DATA STRUCTURES FOR PROVIDING A USER INTERFACE WHICH FACILITATES DECISION
MAKING

Enclosed is a copy of a letter received from the US PTO dated July 21, 2000, indicating that an unrecordable assignment was returned for correction. However, the original Declaration and Power of Attorney which was filed on April 18, 2000, was actually sent back to us, along with our cover letter, not the assignment. In a telephone conversation with the US PTO it was discovered that the assignment was recorded. We have received the notice of recordation of assignment. Please advise us how to return the Declaration which is now back in our possession back to the PTO.
